SDG&E's application to amortize a \$50.3 million overcollection in its ERRRA, resulting in a system average electric rate reduction of 0.32 cents per kilowatt-hour, or 2.4%, is granted. The decrease results from the combined refund payments of \$38 million from the Mirant electric generator settlement and the El Paso Natural Gas settlement that were credited to the existing May 31, 2005 balance of \$7.9 million, exceeding the 4% trigger resulting in this decrease. Rates are reduced for all consumption not subject to AB 1X rate caps. This proceeding is closed.

C04-08-026 - AT&T Communications of California, Inc., TCG Los Angeles, Inc., TCG San Diego and TCG San Francisco vs. Verizon California Inc.

C04-09-001, C04-09-010 - Related matters. In this complaint case, the presiding officer's decision (POD) ordered that Verizon California Inc. (Verizon) continue to allow Complainants AT&T Communications of California, Inc., TCG Los Angeles, Inc, TCG San Diego and TCG San Francisco (collectively AT&T); Complainants Telescape Communications, Inc and Wholesale Airtime, Inc.; Intervenor NII Communications, Inc.; Intervenor MCI, Inc.; and Intervenor A New Telecommunications Corporation d/b/a Call America and Navigator Telecommunications, LLC to purchase unbundled Local Switching and Common Transport network elements under the terms of their interconnection agreements. The POD finds that Verizon may not decline to sell the unbundled network elements on the grounds that Verizon has changed certain hardware (i.e., replaced the circuit switch with a packet switch) used to provide the network elements. Complainant ACN Communications Services, Inc. is not granted relief because its interconnection agreement with Verizon has expired. Intervenor Fones4All is not granted relief because of its failure to prosecute. Complainants Blue Casa Communications, LLC, Covad Communications Company, and Vycera Communications, Inc.'s motions to withdraw from this proceeding are granted. The decision also disposes of the appeal to the POD's decision filed by Verizon, as well as AT&T's motion to withdraw its complaint. These proceedings are closed.
